MINUTE ORDER

The following Minute Order is made by direction of the Court, the Honorable John C. Coughenour, United States District Judge:

Defendant King County has filed a Motion to Dismiss (Dkt. No. 64) based on Plaintiff's failure to prosecute the instant action. The motion is currently noted for consideration for Friday, February 27, 2009. In light of the upcoming trial date in this case and the non-substantive nature of the allegations in the motion to dismiss, the Court finds that an expedited briefing schedule is necessary and appropriate. Accordingly, Defendant's Motion to Dismiss is hereby RE-NOTED for consideration for Friday, February 13, 2009. Plaintiff shall file a response, not to exceed twelve pages, no later than Wednesday, February 11, 2009. Defendant may file a reply, not to exceed six pages, no later than Friday, February 13, 2009.

1 DATED this 6th day of February, 2009.
